

**ARTISTA SOFTWARE V5
SUPPLY LIST**

Computer with power cord, a remote control mouse is very helpful, mouse pad

Bernina Artista software loaded into your computer

Software dongle

Pen for note taking

Reading glasses if needed

Before class practice using your index finger (pointer finger) for left mouse clicks and your middle finger for right mouse clicks, we do this a lot in class and if you can train your fingers ahead of time it will save you frustration. Also, take a half hour to preview the Training CD that was supplied with your software package.
