Embroidery machine with:

- Power cord
- Thread stand
- Embroidery bobbin case (if you use a different one for the embroidery process)
- Embroidery hoops (Mega and large oval)
- 505 spray*
- An array of embroidery needles*
- Bobbin fill*
- Thread snips*
- Paper scissors
- Fabric marking device, chalk or water soluble
- Straight pins
- Spray Starch
- Fasturn Tube Turner*
- Bernina Bias Binder attachment and foot
- Ruler
- Embroidery thread for the designs
- Template plastic, 3" x 20"
- Pencil
- Aquamesh Stabilizer

If your embroidery machine is not also your sewing machine you will need to bring your sewing machine to class too.

- Straight stitch foot
- Zigzag stitch plate
- Sewing thread to match your fabric strips

For each towel you will need: 1- 1 1/8" x 20" bias strip
1- 2 1/4" x 20" bias strip

When choosing your strips think of checks and strips in spring color ways. We have some great ones to choose from at the store. Please have these strips cut before class. I will have nice linen towels that you can buy at class...the price is \$3.00 each (**I have ordered 30 towels, if you let me know your intention I can make arrangements to get more before class**). If you have some of your own please feel free to bring them, they must be woven (non-plush) to work with the bias binder. I realize that the binders that many of you have ordered are not due in until the first week of March but I will have mine and Jamie will bring in hers...but if you have one do bring it to class.

Unfortunately I cannot give away the designs this time...if you want the three that I have used they will be available for purchase at the store starting this Tuesday, Feb. 19th for \$10.00. Feel free to use your own designs...**the key objective is a spring time towel with beautiful scalloped edging.**
